Resmed

You will find all the details about masks and accessories in our mask catalogue.

This content is intended for healthcare professionals. PROMOTIONAL MATERIAL – CE-marked medical device (CE0123). Manufacturer: Resmed. Local contact: Resmed. Please refer to the instructions for use for relevant information related to any contraindications, warnings and precautions.

* Some masks contain magnets that may interfere with certain implants or medical devices. Please refer to the User Guides for complete information, including magnet contraindications and warnings.

1 Data on file, ResMed Germany, 2024. Based on an internal analysis of German Healthcare patient and call interaction data, covering over 280,000 patients. Patients were classified based on device registration in myAir. Results indicate an association between myAir device registration and reduced therapy drop-off (up to 47 %) as well as reduced support call volume (up to 21 %) during the first year of therapy.
