ResMed **Connected**

**ResMed
Connected
Care Services**
empower you
to increase
capacity, reduce
waiting lists, and
offer innovative
care pathways
for your OSA
patients.

Depending on your needs, our trusted services help you continue to deliver **efficient treatment** through digital platforms and qualified clinicians with extensive experience in sleep medicine. You will enjoy full visibility of your patients' progress every step of the way.

As a global leader for **remote patient monitoring**¹ with more than five million cloud-connected devices¹, we will connect you with the digital healthcare solutions you need.

What are the **services** and **advantages** offered?
