

# Start right. Stay right.

Starting therapy with the right mask can help you stay on track with treatment, night after night. Choosing a mask that suits you and your sleep habits is the first step.

## Versatile Fit masks for reassurance seekers

✓ I'd like to find a fit easily

Designed to provide a universal fit for all faces and pressure needs with the option of AirTouch for extra softness

## Minimalist masks for simplicity lovers

✓ I'd like a subtle solution

Designed to be discreet, lightweight and easy to use so you can enjoy a good night's sleep

## Freedom masks for active sleepers

✓ I'd like to move around at night

Designed to let you twist and turn in bed and to sleep in any position you want throughout the night

Full face masks

Nasal / Pillows masks
