

AirTouch™ N20
Nasal mask

Changing the face of comfort

Are you ready to experience comfort on a whole new level? ResMed AirTouch™ N20 features our patented UltraSoft™ memory foam cushion to deliver our softest nasal mask seal ever. This mask is designed to adapt to the contours of your face for a personalised fit as well as reduce facial marks and discomfort around your nose.

Awaken your best fit.

1

UltraSoft™ memory foam cushion is designed to be light, breathable and gentle on your skin for unprecedented comfort and reduced skin irritation. Designed with low-touch maintenance, all you need to do is wipe it down after each use and replace it once a month.

2

Modular frame design means that you can swap between the UltraSoft memory foam cushion and the AirFit™ N20 InfinitySeal™ silicone cushion whenever you choose.

3

Open-edge headgear is designed for extra softness and comfort.

4

Quick-release elbow makes it simple to connect and disconnect the mask from air tubing, allowing you to get up without having to remove the mask.

5

Magnetic clips* guide the headgear to the frame quickly and easily.

30
DAY

MONEY BACK
GUARANTEE

We're so sure that you will love our AirTouch N20 nasal mask, that we are offering a 30 day money back guarantee if you are not completely satisfied.

Terms and conditions apply.

* Use of masks with magnetic components is contraindicated in patients with the following pre-existing conditions: a metallic hemostatic clip implanted in the head to repair an aneurysm and/or metallic splinters in one or both eyes
